

# VAGINAL DILATOR AND VIBRATOR PURCHASE INFORMATION

We find these vaginal dilator and vibrator products reliably available to U.S. consumers. More science is needed about how vaginal dilators and vibrators work. The lists below give examples of the kinds of places you can find these products and are not an endorsement. WomanLab does not have funding or sponsorship from these products or places. Pricing information may vary.

## VAGINAL DILATORS

Vaginal dilators may help increase vaginal elasticity, pelvic muscle mobility, and confidence for penetrative sex. Learn more about vaginal dilation therapy in our blog [“I Want My Vagina Back” Notes on Vaginal Dilation](#). Think you might benefit from vaginal dilation? Talk to and have a pelvic examination by your doctor or other healthcare professional to come up with a plan that fits your needs.

## VIBRATORS

Vibrators have many uses. You can use vibrators to help stretch or dilate the vagina. They can also help increase sexual pleasure and blood flow to the vagina. There are many places you can buy them, including your local “sex toy” shop and some drugstores. Below, we have listed some places to purchase vibrators online:
